Submission of information on Parties' needs and priorities related to risk assessment of living modified organisms under the Cartagena Protocol on Biosafety

Dear Sir or Madam,

In annex I to decision [CP-9/13](#), the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol on Biosafety established a process for the identification and prioritization of specific issues of risk assessment of living modified organisms that may warrant consideration with a view to developing further guidance. At its eleventh meeting, in decision [CP-11/7](#), the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol on Biosafety invited Parties to submit information on their needs and priorities for further guidance materials on specific topics of risk assessment of living modified organisms, including a rationale following the criteria set out in the aforementioned annex I to decision CP-9/13.

In response to this request, I would like to invite Parties to the Cartagena Protocol on Biosafety to submit information in relation to their needs and priorities for further guidance on specific topics of risk assessment of living modified organisms, including a rationale following the criteria set out in annex I to decision CP-9/13. A template and further instructions for submitting information is available at the following link: https://bch.cbd.int/protocol/risk_assessment/template_submit_info_cp11_7_para8.docx.
